SUCCESSFUL ENTERPRISE.

Packing and Curing of Hogs-The Refrigerator and the Smeke-House. [Phenix Gazette.]

The Maricopa Ice and Packing company have thoroughly given the experiment of hog packing and curing a trial, and unequivocally and unreservedly pronounce their enterprise successful Looking at this business as a manufacturing industry, which it really is, it is safe to assume that we have secured an institution that will be the means of retaining thousands of dollars in circula tion in our city and valley. Up to noon to-day, in a period of eight days and a half, 276 hogs have been slaughtered, product of last year found ready sale, the supply being exhausted some time. length along, and by the time the case is ended the water which occasioned the troubles will have probably evapor- and equal to some of the best ham and ated under the scorehing rays of an bacon shipped from the east. J. W. Mr. John R. Farrell, one of the Regents of the Territorial University, was married at San Rafael, California, on May 12th, to Miss Frances Augusta Hoyt, by the Rev. Dr. 21th Nov. Mr. Mr. John R. S. State Larsen, one of the farmers who furnish-Hoyt, by the Rev. Dr. Stebbins. Mr. while the bacon derived from the same Farrell is spending his honeymoon at hogs will amount to \$2,000, these being some of the delightful summer resorts in | the minnium figures and allowing for a depreciation in the market price, which is very unlikely. During the season it is expected that from 7,000 to 9,000 porkers will be slaughtered and cured, making a very creditable showing for a new enterprise, laboring under what has albeen considered heretofore as WEVE great disadvantages. The company are perfectly satisfied with results already attained, and will enter the business hereafter on a more extensive scale, and instead of breakfast bacon, ham, lard by the bucket falling on him while at etc., being imported into the Territory the appearances are that this valuable product will be shipped to outside

A MARVELOUS STORY

TOLD IN TWO LETTERS. "Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrof-ula, and the lectored letter will tell you what

Ayer's Sarsaparilla

have contained the humor for at least ten yours; but it did not show, except in the form f a serofulous sere on the wrist, until about to years ago. From a few spots which ageared at that time, it gradually spread so on cover his entire body. I assure you he was really afflicted, and an object of pity, when erth using your medicine. Now, there are as he has, I could easily name fifty persons who would testify to the facts in his case.

FROM THE FATHER: "It is both a t day for me to state to you the benedi I

Ayer's Sarsaparilla.
